Third Sunday of Lent

March 7, 2020

## UNITED IN PRAYER WITH OUR HOLY FATHER

From March 5 – 8, Pope Francis is traveling to Iraq. As always, there are security concerns with foreign trips. I invite us to keep him in prayer in a special way as he travels. He hopes to bring a message of hope and healing to a war-torn nation. Additionally, I encourage us to read excerpts from Pope Francis's 2021 Lenten Message below, highlighting faith, hope, and love.

### POPE FRANCIS LENTEN MESSAGE FOR 2021

Dear brothers and sisters, every moment of our lives is a time for believing, hoping and loving. The call to experience Lent as a journey of conversion, prayer and sharing of our goods, helps us – as communities and as individuals – to revive the faith that comes from the living Christ, the hope inspired by the breath of the Holy Spirit and the love flowing from the merciful heart of the Father.

1. Faith calls us to accept the truth and testify to it before God and all our brothers and sisters.

In this Lenten season, accepting and living the truth revealed in Christ means, first of all, opening our hearts to God's word, which the Church passes on from generation to generation. This truth is not an abstract concept reserved for a chosen intelligent few. Instead, it is a message that all of us can receive and understand thanks to the wisdom of a heart open to the grandeur of God, who loves us even before we are aware of it. Christ himself is this truth. By taking on our humanity, even to its very limits, he has made himself the way – demanding, yet open to all – that leads to the fullness of life...

Lent is a time for believing, for welcoming God into our lives and allowing him to "make his dwelling" among us (cf. Jn 14:23)...

2. Hope as "living water" enabling us to continue our journey.

The Samaritan woman at the well, whom Jesus asks for a drink, does not understand what he means when he says that he can offer her "living water" (Jn 4:10). Naturally, she thinks that he is referring to material water, but Jesus is speaking of the Holy Spirit whom he will give in abundance through the paschal mystery, bestowing a hope that does not disappoint. Jesus had

already spoken of this hope when, in telling of his passion and death, he said that he would "be raised on the third day" (Mt 20:19). Jesus was speaking of the future opened up by the Father's mercy. Hoping with him and because of him means believing that history does not end with our mistakes, our violence and injustice, or the sin that crucifies Love. It means receiving from his open heart the Father's forgiveness...

...By receiving forgiveness in the sacrament that lies at the heart of our process of conversion, we in turn can spread forgiveness to others. Having received forgiveness ourselves, we can offer it through our willingness to enter into attentive dialogue with others and to give comfort to those experiencing sorrow and pain. God's forgiveness, offered also through our words and actions, enables us to experience an Easter of fraternity.

In Lent, may we be increasingly concerned with "speaking words of comfort, strength, consolation and encouragement, and not words that demean, sadden, anger or show scorn" ([Fratelli Tutti](#), 223). In order to give hope to others, it is sometimes enough simply to be kind, to be "willing to set everything else aside in order to show interest, to give the gift of a smile, to speak a word of encouragement, to listen amid general indifference" ([ibid.](#), 224).

Through recollection and silent prayer, hope is given to us as inspiration and interior light, illuminating the challenges and choices we face in our mission. Hence the need to pray (cf. Mt 6:6) and, in secret, to encounter the Father of tender love.

To experience Lent in hope entails growing in the realization that, in Jesus Christ, we are witnesses of new times, in which God is "making all things new" (cf. Rev 21:1-6). It means receiving the hope of Christ, who gave his life on the cross and was raised by God on the third day, and always being "prepared to make a defense to anyone who calls [us] to account for the hope that is in [us]" (1 Pet 3:15).

3. Love, following in the footsteps of Christ, in concern and compassion for all, is the highest expression of our faith and hope.

Love rejoices in seeing others grow. Hence it suffers when others are anguished, lonely, sick, homeless, despised or in need. Love is a leap of the heart; it brings us out of ourselves and creates bonds of sharing and communion...

Love is a gift that gives meaning to our lives. It enables us to view those in need as members of our own family, as friends, brothers or sisters. A small amount, if given with love, never ends, but becomes a source of life and happiness... Such is the case too with our almsgiving, whether small or large, when offered with joy and simplicity...

I hope these words help  
your Lent! Peace,

your pocket, purse or glove box.....you can take it with you  
anywhere. The goal is to find six minutes a day for the next  
50 days to walk through this book a page at a time. Six  
minutes. That's within reach. And it pays big returns. The key  
is the right-hand page, which will walk through the Sunday  
Gospels for Lent (Cycle B), with explanations and reflections  
along the way. The left-hand page has a variety of quotes,  
information, timely thoughts. Treat it like a buffet table from  
which you can take what you like. If pressed for time, go  
directly to the right-hand page and spend your time  
there. Six minutes, are you ready?
