Three core values:

Communion

Communication

Sustainability

Today's Gospel reading is the scriptural equivalent of the old image of the man on the sidewalk wearing a sandwich board that reads: The End is Near.

While the sidewalk evangelist may have gotten more looks than converts, Jesus' words emphasize the urgency of repentance in a way that is tough to ignore. In the first part of the reading, Jesus responds to a "news report" about Galileans killed by Pilate, presumably as they offered ritual sacrifices, and another story about people crushed by a falling tower. He reframes both tragedies—not as divine punishment but as stark reminders of life's fragility. None of us know how much time we have, so Jesus challenges his listeners to examine their spiritual state *now*, rather than assuming there's always time to make things right with God.

***Sister Pat Hoffman's Farewell Reception***  
**Sunday, March 23, 2025**  
**St. Boniface Church Basement**  
**1:00-3:00 pm**

Sister Pat will move to St. Joseph Convent in Milwaukee, Wisconsin on April 1st. She has been part of the Elgin community, St. Boniface Parish, and Pope John XXIII Central Catholic School for almost 53 years. Along with Sister Pat, the School Sisters of St. Francis leave the Elgin Community. We have been blessed to have the Sisters of St. Francis as part of our community since January 1909 with the opening of St. Boniface School.

*Please join us at a reception  
in Sister Pat's honor on March 23rd.*  
If you are unable to attend, cards may be sent to:  
Sister Pat Hoffman  
PO Box 219  
Elgin, NE 68636

**Tending the Garden**

In today's Gospel message, Jesus also reinforces the call to repentance with a vivid parable about an orchard owner, a gardener, and a barren fig tree. The orchard owner wants to cut the tree down, but the gardener pleads for one more year to tend and nurture it. As with all of Jesus' parables, there are layers of meaning to consider. The fig tree can represent us individually—our spiritual lives may have become stagnant, bearing little or no fruit. But it can also symbolize those who are distant from God: people who are struggling, lost, or alone.

Here's the challenge: As Christians, we're not only called to ensure our own trees bear fruit but also to take on the role of the gardener. We are invited to intercede, nurture, and tend the barren trees, offering time, patience, prayer, and love to help others grow. In doing so, we become participants in the mercy and grace of God.

This Lent, how can we embrace the gardener's mission? Who in our lives might need our care, encouragement, or prayer to bear the fruit they are capable of? Let us ask God for the courage and wisdom to meet this challenge, sharing His mercy with a world that is so often fragile and in need of hope.
