Mass Intention Offering

Please use the **Mass Intention Offering Envelopes**, at the back of all churches, when requesting intentions for loved ones. This is the most efficient way to request a mass intention, as opposed to contacting the office. The envelopes have all the necessary information to request a mass, and you can include the payment.

Priests do their best to accommodate location of mass intentions requested. If the intentions requested cannot all be said within our family of parishes, within one year (due to Canon Law), they are sent to retired priests' private daily mass.

Thank You!

*And whatever you do, in word or in deed, do everything in the name of the Lord Jesus,
giving thanks to God the Father through him. Colossians 3:17*

Thank you for working hard in your vocation!

Happy Labor Day!

God Bless America

Happy Sunday!

From the Pastor's Desk

We see the Lord's generosity since the Resurrection Day that we celebrate and worship God every Sunday is returned and given to us to be a day of rest. The Lord shows us that he wants us to be cared for. With the many changes that we are experiencing in our area, I'm hoping that a bulletin column will help increase both communication and understanding. Reality is a complex thing. Some of the topics may interest you and some may not. Some writings may be more spiritual in nature, and some may be more pragmatic and practical. Today's topic is property insurance. The Archdiocese made some significant changes to the insurance program this year.

Each church and school campus in the Archdiocese of Omaha is covered by an umbrella policy for the entire Archdiocese negotiated by the Chancery office with Catholic Mutual Group. Catholic Mutual is a nonprofit insurance group that the Archdiocese of Omaha helped found in 1889, and it continues to serve only Church-owned institutions in the United States and Canada. The goal of this umbrella policy is to have good insurance coverage and affordable premiums.

The insurance market keeps changing, and property insurance keeps getting more expensive. You may have noticed that insurance rates for farms, buildings, and property have all gone up. Weather events like hail, derecho straight winds, tornadoes, and hurricanes have caused losses that require premiums to go up. For the 2023-2024 year, the insurance premiums went up 34%. In order to prevent another huge increase in premiums, the Archdiocese made modifications to the insurance policy. Even with these changes, our premiums for the 2024-2025 year will still rise 14% over last year.

- The parish maintenance deductible for property claims has been raised from \$2,500 to \$10,000.**
- A roof depreciation schedule was added to adjust claims payment**
 - 0-10 years old is Replacement Cost Value (if applicable)**
 - 11-20 years old is Actual Cash Value based on 25% depreciation**
 - Over 20 years old is Actual Cash Value based on 50% depreciation**
 - Superficial or cosmetic damage will also not be paid as a claim.**

Several of our church campuses experienced complete roof replacement in the past few years as a result of hail damage while only having to pay the \$2,500 deductible. These current changes in policy would have made those replacement costs significantly higher at the time. It would have been a bigger stressor on a church's cash flow and cash reserves.

This change is going to require us to consider how we plan for maintenance expenses in the future. This expense is a prerequisite for our church family to worship and do ministry. Because of how significant this expense is, we have a special envelope/collection to directly offset this expense. If your packet does not have a specially marked envelope, please consider contributing with an envelope marked insurance.

Thank you for helping us meet the moment!

Fr. John Norman
