**Prayers for
Vocations to the
Priesthood and
Religious Life
are appreciated!**

A little about Father Vogel

My parents are Ken and Carol Vogel of Howells. My dad farms and my mom is head teacher at Howells Community Catholic School. My brother Adam is an electronics engineer in Kansas City, my sister Rachel is an artist but works for a workman's comp company in Omaha, my sister Rita and her husband Ben who have a daughter Sophia (who is my goddaughter), a son Luke, and are expecting their third child, live in Terry, Montana and farm. As a family we enjoy going on vacation together and usually take in nature through hiking.

I enjoy teaching our faith to students and adults alike. Having studied physics prior to entering the seminary, I especially like investigating the interaction between faith and science. Following the work of both my grandmothers, I have become interested in family genealogy. This has led me to visit many Nebraska cemeteries where I pray for the deceased and take photos of the gravestones, which I then upload to a genealogy website (Billiongraves.com) for people to find their ancestors.

I love the beauty of our faith, especially church art, architecture, and sacred music. I have created virtual tours of our six churches showing the beauty and meaning of the symbols found within. (We hope to put links to these on our website soon.) I enjoy singing and learning new music, mainly chant. I have a YouTube channel where one can find recordings of many of my faith talks, homilies, and sacred music (www.youtube.com/user/vogelkw/).

**One Church: encountering Jesus,
equipping disciples, living mercy.**

A little about me.....

My family settled in Papillion, NE when I was in kindergarten back in 1992. My dad's side of the family is from upstate New York near the baseball hall of fame, and my mom's family is from Colorado. It seems pretty logical that my parents would meet in California... my parents are both physical therapists, and they were working in the same place. Fast forwarding, my dad got a job teaching in the physical therapy program at UNMC, and we came to Nebraska...and Nebraska became home.

I have an older brother Dan, who is married to Chrissy and lives in Kansas City, working at Garmin, which is the same company as Fr. Vogel's brother. I have two younger sisters Chris and Kay. Chris lives in Chicago and works as an accountant. Kay is working in St. John's, Kansas with AmeriCorps.

I grew up and spent a lot of time in Boy Scouts, earning my Eagle Scout, and camping, backpacking, and cooking in the great outdoors. I also played soccer through eighth grade. I ran cross country and track as a freshman, and I was involved with our choir, show choir, and broadcasting clubs. I've studied Spanish, Russian, Latin, Greek, and Italian as foreign languages.

I enjoyed studying philosophy and Catholic studies in college, and I enjoyed my study of theology. My area of special interest is the relationship between faith and culture as well as the process of conversion.

I do enjoy driving (which fits really well with my current occupation), podcasts, books, books on tape, and working on team based projects.

This Sunday's Gospel highlights Martha, who focused on the hospitality of having Jesus over. In Church world, we sometimes call the tasks that we do 'Martha jobs'. I wanted to express my heartfelt gratitude for all who planned for, came for, baked for, and ate for my installation Mass and meal last Sunday. I was really moved by your support and encouragement as Fr. Vogel and I start this new adventure. Thank you!

Peace,

THANK YOU!!

Kinney's Inc. recently donated a strip of land to the St. Boniface Church, so we can increase the size of our "small" ball field in the southeast corner. The parish appreciates their generosity very much, and have deep appreciation, as it makes possible the improvements that are in the works. Michael and Gina Moser have been instrumental in getting the process going. Thank you to the following for their recent help clearing the area: Duane Childers for hauling trees away, Bob Schiltmeyer-excavator use and operator, Dan Zwingman for the truck and trailer use, Craig Neiwohner for running a side dumper, Tom Hofer for use of his payloador AND to all the others who have helped with the project so far. It is very appreciated.

Our office received this note and a donation, anonymously, from one of the persons helped with a grant from the Archdiocesan Flood Relief Fund in which many of our parishioners gave to.

*St. Boniface and St. Bonaventure Parishioners:
What I lost in the flood was things. What I gained was more blessings than I deserve. I am very grateful for what was given to me from everyone. Please accept this enclosed donation with my greatest appreciation. I wish no one needed help, yet it happens. Please use this donation to help someone else for whatever reason. Thank everyone, bless all!
Tithing, no matter what, is great stewardship!*

"You Took My Place"

One day, a man went to visit a church. He got there early, parked his car and got out. Another car pulled up near him. The driver got out and said, "I always park there! You took my place!"

The visitor went inside for Sunday School, found an empty an empty seat and sat down. A young lady for the church approached him and stated, "That's my seat! You took my place!" The visitor was somewhat distressed by this rude welcome, but said nothing.

After Sunday school, the visitor went into the sanctuary and sat down. Another member walked up to him and said, "that's where I always sit!" You took my place!" The visitor was even more troubled by this treatment, but still He said nothing.

Later as the congregation was praying for Christ to dwell among them, the visitor stood up, and his appearance began to change. Horrible scars became visible on his hands and on his sandaled feet. Someone from the congregation noticed him and called out, "what happened to you?" The visitor replied, as his hat became a crown of thorns, and a tear fell from his eye, "I took your place."
