USHERS

The ministry of usher is important to our parishes. Thank you to those who have taken extra care this past year of changes.

Beginning next weekend, we will begin "taking up collection" once again with the baskets at each of our parishes. You will be let know when there are "second collections, which takes place following Communion. Generally, those are only for a few times a year (including next weekend, Jan 23-24 for Respect Life).

Hospitalizations

Reminder: when you or a family member is hospitalized or in the nursing home, please call your Parish Office. Because of regulations, health care facilities will not call the parish, and we do not receive this news through other channels, so please arrange for a family member or friend to contact us should hospitalization or moves to other facilities occur. If you wish to have clergy visit, you must request.

FAMILY LIFE CAN BUILD VALUES integral to a strong vocation — whether to priesthood, religious life or marriage. Teaching your children to value commitment, service and prayer will help them make strong vocation decisions as adults and live out those vocations with success and fulfillment.

Serra for priestly and religious vocations

Dispensation from the obligation to attend Sunday Mass is still in effect, for those who have concerns about attending.
8:00 am Sunday Mass is available on Facebook.

Ultrasounds Save Lives

Since 2009 the Nebraska Knights of Columbus Culture of Life Foundation (COL) has placed a total of ten ultrasound machines in qualifying Women's Resource Centers throughout Nebraska. The first one was placed in Kearney in 2009. Others have been placed in North Platte, Grand Island, Hastings, O'Neill, and in four facilities in the Omaha area. We asked the ten facilities, with ultrasound machines in place by 2018, the question; "In 2018, how many abortion minded and/or abortion vulnerable women received an ultrasound, and after seeing the results, chose not to abort?" With eight of the ten facilities responding, the total number of ultrasounds given was 2,558. Of that number, 2,157 women chose not to abort after viewing the ultrasound. That is more than 84% of the women that were able to view their baby and see the heartbeat, felt the need to keep their baby and not abort.

The COL is funded mainly through the One Rose-One Life campaign which is sponsored and carried out by local Knights of Columbus Councils in parishes statewide on or near January 22, the anniversary of the 1973, Roe v. Wade Supreme Court decision. The "Ultrasound Initiative," is a program started in 2009, by the Knights of Columbus Supreme Council, which has close to two million members, to help place ultrasound machines in qualifying Women's Resource Centers throughout the United States and worldwide. Supreme typically pays half of the cost of a machine with the other half coming from the state or local Councils. Since its conception, over 1,000 ultrasound machines have been placed, saving countless babies lives. Look for a "One Rose-One Life" campaign coming soon to a parish near you, so you too, can help save lives. Your donations make a difference.

Brian & Mary Jo Hamik

State Directors Knights of Columbus Culture Of Life Foundation

The One Rose, One Life campaign will be held in each of our parishes January 23-24, 2021.

A second collection after communion will be taken up for this important cause.

Your generosity will be used directly to help save babies in our state!
