Eighth Sunday in Ordinary Time

## LENT IS COMING

We're about to begin the Church season of Lent together. I think that we want to be aware in these 40 days of two competing tensions that we can experience.

Lent as a way of being. Lent is a time for us to experience time with God. We can clear away different things that can serve as distractions from letting God be present to us. We are invited to make moments of silence within our days, even within our liturgies, to let God speak to us. We can be busy in routines, surrounded by noise, or overwhelmed by tasks or deadlines. Lent is about taking time for what is most important. It is a time of "retreat" for us as a parish.

Lent as a way of acting in love. There are many things that we can do during the season of Lent. We can give alms, making a Rice Bowl gift to help someone else. Sometimes we choose to pray the rosary as a family, to participate in the Stations of the Cross, to stop by the Church for a moment of prayer, or to participate in Holy Week liturgies. We can give something up as a type of fasting... it lets us say "Jesus, I love you more than \_\_\_\_." We can also do something that gives priority to our spiritual lives. This Lent, several in our parishes have been looking to form small groups as part of the Live Lent Together initiative, seeking to pray better and to pray together. If you've been looking for an opportunity like this, you can reach out to the Elgin office (402-843-2345) and we will work to get you connected.

  - This consists of 1 full meal and 2 smaller meals during the day, without snacks.
  - If one cannot for health reasons, they are exempt.

## FROM POPE FRANCIS' 2021 LENTEN MESSAGE

"Jesus revealed to his disciples the deepest meaning of his mission when he told them of his passion, death and resurrection, in fulfilment of the Father's will. He then called the disciples to share in this mission for the salvation of the world."

"In our Lenten journey towards Easter, let us remember the One who "humbled himself and became obedient unto death, even death on a cross" (Phil 2:8). During this season of conversion, let us renew our *faith*, draw from the "living water" of *hope*, and receive with open hearts the *love* of God, who makes us brothers and sisters in Christ. At the Easter vigil, we will renew our baptismal promises and experience rebirth as new men and women by the working of the Holy Spirit. This Lenten journey, like the entire pilgrimage of the Christian life, is even now illumined by the light of the resurrection, which inspires the thoughts, attitudes and decisions of the followers of Christ."

"*Fasting, prayer and almsgiving*, as preached by Jesus (cf. Mt 6:1-18), enable and express our conversion. The path of poverty and self-denial (*fasting*), concern and loving care for the poor (*almsgiving*), and childlike dialogue with the Father (*prayer*) make it possible for us to live lives of sincere faith, living hope and effective charity."

While this season is always a challenge, I pray and hope this season is full of graces for you.

Peace,

# Let's join Pope Francis

to show our unified support to  
the people of Ukraine through  
Prayer and Fasting

## APPEAL

My heart aches greatly at the worsening situation in Ukraine. Despite the diplomatic efforts of the last few weeks, increasingly alarming scenarios are opening up. Like me, many people all over the world are feeling anguish and concern. Once again the peace of all is threatened by partisan interests. I would like to appeal to those with political responsibility to examine their consciences seriously before God, who is the God of peace and not of war; who is the Father of all, not just of some, who wants us to be brothers and not enemies. I pray that all the parties involved refrain from any action that would cause even more suffering to the people, destabilising coexistence between nations and bringing international law into disrepute.

And now I would like to appeal to everyone, believers and non-believers alike. Jesus taught us that the diabolical senselessness of violence is answered with God's weapons, with prayer and fasting. I invite everyone to make next 2 March, Ash Wednesday, a Day of Fasting for Peace. I encourage believers in a special way to dedicate themselves intensely to prayer and fasting on that day. May the Queen of Peace preserve the world from the madness of war.

*Franciscus*
