

## **Family Pastoral Planning Team (FPPT) Meeting**

FPPT met at River Mill Coffee Company on Tuesday, June 6, 2023 from 6 - 8 PM.

Father John Norman opened with prayer.

All members were present at this meeting.

Father John continues ongoing discussions and zoom meetings with the Diocese regarding Journey of Faith.

Good progress is being made in the conversations around parish mergers and school consolidation.

Fellowship opportunities and ideas for community and faith enrichment were discussed. An Hour of Power evening will be held for high school youth, on Wednesday, June 28, 2023 at St. John's church in Petersburg. The evening will include a witness talk, Adoration and live music, followed by fun outdoor activities to encourage fellowship and community among the youth.

Neligh and Elgin will be partnering for faith formation in the 2023-2024 school year.

Father John asked that all churches resume Mass counts.

The new weekday Mass schedule will begin in August 2023.

The new **weekend** Mass schedule will take effect **no later than** July 1, 2024.

Team is committed to continued support and encouragement, as we continue on the journey of this planning process. We are intent on having a relational future, focused on the **WE**, to truly continue growing as a family, as Christ's Church.

Fr. John closed with prayer

Next meeting: Wednesday August 9, 2023
